Skip Tracing And Investigations For Service of Process

As the leading service of process provider and a licensed investigation agency, ABC Legal is uniquely suited to optimize investigations for service of process. We combine top search results from multiple national address databases and record sources with data from millions of our own service attempts to give your cases the best chance for successful service.

Do More With One Vendor

- ✓ **Find individuals for service of process**
Find individuals before service or get auto trace results with alternate addresses after each non-service.
- ✓ **Support motions for alternative service**
Validate diligence requirements and information to get court approval for other forms of service of process.
- ✓ **Perform other necessary investigations**
Ensure you have the data you need for service of process.
- ✓ **Audits**
Be prepared if someone attempts to contest service.
